

清 Great Spirit Acupuncture

Insurance Information & Checklist

Thank you for choosing Great Spirit Acupuncture for your acupuncture needs. While acupuncture treatment and its benefits continue to become more integrated into the mainstream healthcare system, please familiarize yourself with your own carrier and what acupuncture benefits may be covered.

To help you speak with your insurance company in a way that might lead to coverage, we've provided the following checklist of questions that can be asked.

Checklist

1. Does my plan cover acupuncture?
2. Does my insurance cover these treatment codes:
97810, 97811, 97813 or 97814?
3. What is the annual acupuncture benefit? (dollar amount _____ or number of treatments _____)
4. Does my plan require that an MD perform the acupuncture?
5. Does my plan cover acupuncture for the treatment of _____?
6. Does my plan require a referral from a Primary Care Physician (PCP)?
7. Does my plan require pre-authorization before treatment?
8. Does my plan require re-authorization after a specific number of treatments?
9. What is the phone number, FAX number or address that I should send reports, authorization requests and claims to?

10. Is there an applicable deductible amount that has yet to be met? What is that amount? _____

Name of rep spoken to: _____ Date: _____
